- Did not work for any federal, California state, or local government.

Complete the Qualification Checklist on page 2 of the instructions to see if you qualify for the EZ employee credit.

D Limitations

Zone Income Limitation

You may not apply the credit toward any taxes due on income you and your spouse earned outside the EZ or prior to the zone designation.

Income Limitations

The maximum amount of qualifying wages is \$10,500 for each enterprise zone employee. You must reduce this credit by 9% (9 cents for each dollar of income you received that is more than your qualified enterprise zone wages).

This credit cannot reduce regular tax below the tentative minimum tax. See Schedule P (540 or 540NR) for more information. This credit is not refundable and any unused credit may not be carried over to succeeding years.

Specific Line Instructions

Line 10 — Total enterprise zone wages are all enterprise zone wages. This amount is not limited to \$10,500 like the amounts on line 1 and line 2.

Line 11 — Generally, this amount will be \$0 (zero dollars). However, expenses that may be included on this line are employee business expenses that you paid for such as union dues, work clothes and uniforms, tools used in your work, employment-related education expenses, and occupational taxes. Personal expenses such as commuting expenses and meals are not deductible and **cannot** be included on this line. Refer to Internal Revenue Service Publication 17, Chapter 21, or federal Form 2106, Employee Business Expense, for more information about employee business expenses.

Line 13 — Find the amount of tax for the amount shown on line 12 by using the Tax Table or Tax Rate Schedule in your Form 540 or the Long Form 540NR tax booklet. Use the same filing status you used on your Form 540 or the Long Form 540NR.

Line 14 — The amount of this credit you can claim on your income tax return may be limited further. See the credit instructions in your Form 540 or the Long Form 540NR tax booklet for more information. These instructions also explain how to claim this credit on your income tax return. You must use code number **169** when you claim this credit.
